

Searching items on a particular subject or topic

When you start to look for information on any subject (or topic) it can be useful to also think of **alternative terms** or **keywords**. The catalogue can help you to do this, e.g. if you would like to look up books about report writing for psychology.

Writing for psychology There are 2 versions of this item

The "Refine My Results" option allows you to narrow your search by resources type, collection, course code, date, topic and creator. You would narrow your search when you get too many results, For example, here the results total 38. Within that total of 38, only 1 is an e-Book.

The following wildcards can be included in your searches:

?—use a question mark to perform a single character wildcard search. E.g. organi?ation (organization & organisation)

—use an asterisk to perform a multiple character wildcard search. E.g. psycholog (psychology & psychological, etc.)
